- Contact: Andy Woodcock-squires - 0115 985 0055

PROGRAMMING LANGUAGES

- HTML
- PHP
- CSS
- SASS
- PYTHON
- JAVASCRIPT
- GIT
- SQL
- C

PROJECTS

Portfolio:

I developed a personal portfolio to present my knowledge and passion of web developing in a creative way and to give my employer a unique experience of why I love coding.

Gym Life:

I created a gym project to improve my programming skills and produce a web application that I may use later in the future to log my workouts and meal plans to improve my physical appearance and strength.
